WHERE WOMEN LEAD

THE FIGHT FOR OUR FUTURE

Introduction

DEFEND DEMOCRACY, SECURE OUR RIGHTS, VOTE TO PROTECT OUR FUTURE.

Welcome to our 64th Annual State Convention!

Democratic women across the state have dedicated their time and energy to **"Defend Our Democracy,"** knowing that the outcome of this year's election will shape our future.

We must also **"Secure Our Rights."** What's at stake?

- Our voting rights
- Our reproductive rights
- Our global relationships
- The future of our country

Our very democracy is on the ballot, and we are fully aware of its importance.

Our DWNC members are a force to be reckoned with. Not only are we a formidable organization, but we are also the backbone of the North Carolina Democratic Party.

To all DWNC members who have canvassed, made phone calls, and written letters to secure the **"Votes to Protect Our Future,"** we are forever grateful.

Message from our President

The DWNC Board and the 2024 DWNC Convention Committee have been tirelessly preparing for this year's convention. We are excited to provide an event where we will network, share ideas, and celebrate those among us who have led the way.

Get ready to kick off Friday night with a lively reception for candidates, featuring Kimberly Bassett, Secretary of the District of Columbia, and Elaine Marshall, NC Secretary of State. You can hang out with us after the reception to watch the video "Bad Faith". We will even provide the popcorn.

Saturday promises even more excitement with messages from US Rep. Deborah Ross, NC Senator Natalie Murdock and NCDP Chair Anderson Clayton. At the end of our business meeting, we will take a pause to honor President Joe Biden. We are celebrating not only the successes of this administration but also our president's decision to put our country first. We will provide a prop to each of you for a large group "Thank you President Joe Biden" photo.

Lunch— it's like speed dating with our candidates, giving you the chance to chat directly with each candidate at your table.

In the afternoon, we'll dive into engaging breakout sessions covering everything from treasurer's training, to Voter Protection, Taking Back the Courts, Legislative Issues, and Candidate Recruitment, to name a few.

The Guest Speakers at our Stars Banquet are NC Rep Vernetta Alston, NC Senator Sydney Batch, Justice Allison Riggs, and Attorney General and Candidate for Governor, Josh Stein.

Democratic Women of NC consist of chapters spread all over our great state. Our democratic women are doing hard work to get our candidates elected. We end our Saturday evening with recognizing our 2024 Stars recipients, who have gone above and beyond in their chapters. To cap off the evening, we will reveal our Trailblazer recipient, the most prestigious DWNC recognition award.

Sunday morning we will recognize our 2024 Woman of the Year recipient. Our featured speaker is our Lt. Governor Candidate, NC State Senator, Rachel Hunt.

The DWNC Board and I can't wait to host you and share some serious fun and fellowship at our 2024 DWNC Convention!

With gratitude,

A handwritten signature in black ink that reads "Paula Shelton". The signature is fluid and cursive.

STARS Reception Speakers

Justice Allison Riggs, Candidate for NC Supreme Court Associate Justice

Justice Riggs has spent her entire career fighting for equal justice under the law for every North Carolinian. She is proud to serve on the North Carolina Supreme Court since Governor Cooper appointed her in 2023. As a justice, her guiding principles are integrity, transparency, consistency and empathy. She believes that everyone in our courthouse should be treated with dignity and respect and she believes the way our courts work should be as transparent as possible to foster accountability.

Attorney General Josh Stein

Attorney General Josh Stein has the experience and values to fight for what's right, work to fix what's wrong, and do right by every single North Carolinian. Always putting the people first, Mr. Stein has consistently taken on powerful special interests to protect families and won. He and his team have worked hard to keep families safe, hold corporate wrongdoers accountable for the damage they've done, make polluters pay to clean up the messes they make, and defend your reproductive and voting rights.

NC Senator Sydney Batch

When Sen. Batch was elected to serve the people of Wake County in 2018, she entered the legislature with a goal: to improve the lives of her constituents and build a North Carolina that works for all its citizens. During the 2019- 2020 legislative session, Sydney sponsored and cosponsored 48 bills, ranging from legislation to expand affordable healthcare to a bill ensuring clean drinking water for all North Carolinians. In January 2021, Sen. Batch was appointed to the NC State Senate.

NC House Representative Vernetta Alston

As a member of the House, Rep. Alston has advocated for well-funded schools, safe communities, health care, and a strong environment for economic growth. She has fought for more resources for educators and for law enforcement. She has become a leader in housing policy and helped pass the Unfair Real Estate Agreements act which will protect vulnerable homeowners from predatory actors. Alston will continue to work every day for the people of Durham County and everyone in North Carolina.

Sunday Speaker

NC Senator Rachel Hunt, Candidate for Lt. Governor

Senator Rachel Hunt is an attorney and a mom. She spent the first part of her legal career working for women and children, defending them in court when no one else could. Over the five years since she was first elected, she's seen how the Trump Republicans have ruled with little accountability to the people of North Carolina. She's seen first-hand how far we've fallen from the North Carolina that her parents, former Gov. Jim and Carolyn Hunt envisioned. She's running to fix that.

"Every county and every vote matters."

*Pam Genant,
candidate for
US Congress*

Some candidates talk the talk, but Pam Genant walks the walk. There has been no more willing participant or mentor for our Dems in Cleveland County than Pam Genant. If we need her help, all we have to do is ask. If we request her presence at an event, she's there. She's selfless. She's fearless. She's a team player. She will and has fallen on the sword for the betterment of us all. Pam steps up to the plate when no one else will.

THANK YOU, PAM GENANT, FOR ALL THAT YOU DO!
